Notes

1. Test Results are valid for two years from the date of sitting
2. Only the results from one sitting will be accepted by TAFE Queensland (exception to ISLPR taken at TAFE Queensland South Bank Campus).Combination of two tests results only approved when overall IELTS results meet required entry but one individual score is lower than required. In this case an ISLPR results in one skill can be combined with IELTS Results
3. Application must be accompanied by certified documentation
4. Through TAFE Queensland International, TAFE Queensland maintains current information on countries where English is widely used and which, therefore, satisfy 'previous study' criteria.
5. The requirements set out above may not necessarily be the requirements a student must meet to obtain a student visa. Please refer to DIBP website on English requirements for Student Visa Application
6. TAFE Queensland reserves the right to accept or deny entry
7. Previous Study or Work Experience not in Australia: Where previous study/work experience was conducted in English, the application must be accompanied by certified documentation with an official letter from the educational institution/employer certifying that the language of instruction/employment was English. In these cases Assessment and Acceptance is at schools discretion.
